AFFIDAVIT

I, Andrew W. Kremer, having been duly sworn, depose and state:

1. I am a United States Postal Inspector, having been so employed since May 19, 2012. I am presently assigned to the Cincinnati Field Office, Pittsburgh Division of the United States Postal Inspection Service (USPIS) with investigative responsibility for southwest Ohio and northern Kentucky. Part of my investigative responsibility involves the use of the United States Mail in the illegal transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.
2. I completed United States Postal Inspection Service Basic Training in August 2012. The training involved narcotic investigation techniques, chemical field tests and training in the detection and identification of controlled substances being transported in the United States Mail. In addition to this formal training, I have worked since August 2012 with various federal, state and local law enforcement agencies in the investigation of the transportation of illegal drugs and their identification.
3. This Affidavit is made in support of a search warrant for the following property, namely the package associated with the following United States Postal Service ("USPS") Priority Mail Express, Label Number:

a. EI059541195US (the "Subject Package")

This Affidavit is made in support of a warrant to search the **Subject Package** for evidence of a crime as well as contraband, fruits of a crime or other items illegally possessed in relation to the following offense:

- a. Possession with Intent to Distribute Controlled Substances, in violation of Title 21, United States Code, § 841.

Because this Affidavit is submitted in support of the application of the United States to search the **Subject Package**, it does not include every fact known concerning this investigation. I have set forth facts and circumstances that I have relied upon to establish probable cause to justify the issuance of a warrant to search the **Subject Package**. The **Subject Package** is currently being held at the USPIS Cincinnati Field Office.

4. Based on my training and experience, I have become aware that drug traffickers frequently use Priority Mail Express and/or Priority Mail, services offered by the USPS, to transport narcotics and other dangerous controlled substances. As a result of investigations and successful controlled substance prosecutions where Priority Mail Express and/or Priority Mail were used, I have learned of certain characteristics associated with other Priority Mail Express and/or Priority Mail items previously identified as containing narcotics or other dangerous controlled substances. Some of these characteristics include (but are not necessarily limited to or used on every occasion): false or non-existent return address, addressee is not known to receive mail at

the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity.

5. Through training and experience, your Affiant realizes that drug traffickers frequently engage in drug transactions through the mail, store narcotics, their proceeds, or packaging materials, etc., in the presence of one another. Therefore, the odor of a controlled substance is often present on the package, packaging materials, or contents of the package, including financial proceeds from narcotics trafficking such as cash, money orders, or other financial instruments.
6. On or about December 1, 2021, a U.S. Postal Inspector intercepted the **Subject Package** at the Lockland Post Office, Cincinnati, Ohio. On or about December 1, 2021, I took custody of the **Subject Package**.

The **Subject Package** is further described as:

Priority Mail Express, Label Number: EI059541195US

Weighing approximately 2 pounds 1.4 ounces in a Priority Mail Express Mailing Box. Postage paid was \$61.25.

Sender: 1061 Pilgrim Pl
Cincinnati, OH 45246
Wilson Dixon

Addressee: 4020 Williams St.
Eureka, CA 95503

7. I observed the **Subject Package** and reviewed USPS tracking information, which indicated the **Subject Package** was mailed at the Lockland Post Office, Cincinnati, Ohio 45215. The **Subject Package** is heavily taped.
8. I searched the CLEAR database for the listed return address of the **Subject Package**. CLEAR is an investigative platform available exclusively to law enforcement and other government investigators that contains public-record data about people and businesses. The information obtained from the system indicated that there is no Wilson Dixon currently associated with that address. Furthermore, the information obtained from the system indicated that there was a Wilson Dixon associated with that address, but he passed away in 2001, however the last name Dixon is still associated with the address.
9. Due to there not being a name listed in the addressee section I was unable search for an association. Through training and experience, I am aware that it is common for narcotics traffickers using the U.S. Mail to not list an addressee name or use a fictitious name as a way to conceal the actual identity of the intended recipient.

10. On or about December 1, 2021, I arranged for Deputy Nick Poole, Hamilton County Sheriff's Office to utilize a narcotics canine to check the **Subject Package**. Deputy Poole and his canine "Akim" are a currently certified narcotics team. The team is certified by the Ohio Peace Officer Training Commission and the Ohio Office of the Attorney General. Deputy Poole reports that "Akim" passed all of his examinations and has successfully located hidden drugs in the past; I therefore consider "Akim" to be reliable. I met Deputy Poole at the USFIS Cincinnati Field Office, where the **Subject Package** was placed in a separate room among several other similar packages and presented to "Akim", who alerted positively to the presence or odor of a controlled substance upon the **Subject Package**. Attached to this Affidavit, and incorporated by reference, is a photocopy of the narcotic canine handler's record of examination.
11. Based upon my experience and training, this information, along with the positive alert of narcotic canine "Akim," is indicative of the **Subject Package** containing narcotics or proceeds relating thereof.
12. Based upon the information contained in this Affidavit, I believe that there is probable cause to believe that the **Subject Package** will contain evidence and/or contraband, fruits of crime, or other items illegally possessed. Therefore, a search warrant to open the **Subject Package** is requested.

Further, your Affiant sayeth naught.
